# Correction: The effect of basic public health service equalization on settlement intention of migrant workers in China: the mediating effect model based on subjective feelings

Pei Liu<sup>1</sup>, Zhiping Long<sup>2</sup> and Xuemeng Ding<sup>3\*</sup>

**Correction:** *Health Econ Rev* 14, 58 (2024)  
<https://doi.org/10.1186/s13561-024-00534-2>

Published online: 12 February 2025

Following the publication of the original article [1], the statement in the Funding information section was incorrectly given as ‘Thanks to the Migrant Population Service Center, National Health Commission of China for the data support’ and should have read ‘This work was supported by Zhejiang Federation of Humanities and Social Sciences Circles(2023B006) awarded to Pei Liu.’

The original article [1] has been updated.
